Summer 2008 Edition

August Meeting Notice:

Monday, August 25th, 7 pm at the county highway building, Agenda will include:

- 1. Implementing shoreline improvement projects that do not meet the DNR grant requirements and continue interest in DNR shoreline improvement grant process. All interested in possible projects are asked to attend.**
- 2. Update on Gator Lake Stormwater project.**

**If you have not yet paid membership for 2008-09, but intend to, please send to :
WLA , Hal Watkins, treasurer, at 1508 Clear Lake Drive, Waseca, MN 56093.**

Membership supports the many programs geared at water quality improvement and public awareness of the Waseca Lakes Association.

Activities Report

Dogi-bag dispensers were purchased by the WLA this spring and installed by the city parks departments around Clear and Loon lakes to promote a cleaner lake shore, reduce fecal matter in our lakes, and raise public awareness and stewardship of our lakes.

293 runners participated in the 5th annual Lakefest Freedom Run on July 4th helping to raise \$1200 for the Waseca Chapter of Habitat for Humanity. Thanks to our sponsors; Waseca Medical Center and First National Bank, all who participated. For complete results on finish times, see our web site at wasecalakes.org
